

# WORD IN LIFE MINISTRIES

**New this Month...**

**Dear Friends, Partners & Family:**

Blessings to you and your families.

We are making progress with our new web page and we believe that each month you will see more articles and improvements.

We just finished our Labor Day Yard Sale and it was amazing to see all those that showed up to purchase their treasures.

More importantly they sowed in this ministry so LaVern and I can continue to minister to those that need freedom in addiction areas. We sold \$210. I want to thank the following people who helped with the Sale:

Karen Horsman, Betty Boison, my neighbor,

Star McPhee, my granddaughter, and my sister Bonnie Prestegard.

If it wasn't for your encouragement and help, it could not have been a success.

**Gaastra Michigan Mission Bible Training Center**

**Fall 2018**

## WORD IN LIFE MINISTRIES

Our next scheduled event is going to the two Missions in Michigan. We will first stop off at the one in Gaastra, MI September 10<sup>th</sup> and be there for three days. We will then go to our newest Center in Roscommon, MI which is called the Lions Den. We are very excited to see the new center and share with the new residents there. God is faithful to call us to complete all 19 centers this year. We will finish up the last two that are in Georgia and Florida in the later fall.

Please keep checking out our website and the articles that we have available to you. They will produce faith in your heart and keep you informed of all that is going on with Word in Life Ministries.

We are so thankful for your continued support and if you would like to donate to our upcoming trip, you can in two ways. You can send your gift to WILM, PO Box 203, Rochester, MN 55903-0203 or donate on line. Your donations are tax deductible and they bring hope to those who need hope!

Thanks again for all you do to bring the Kingdom of God to a reality in so many lives.

In Him,

**LaVern & Sandra Burdick**
