

WORD IN LIFE MINISTRIES

New this Month...

Dear Friends, Partners & Family:

Blessings to you and your families.

We are gearing up for a new year of adventures! God has put new dreams and possibilities for us to accomplish this year. Our pastor challenged us this year to write out our goals and dreams, and with Praise and Thanksgiving they will come to pass. We were told to confess our goals every day as if they were in existence NOW!

Friends and Partners, Thank You for agreeing with us as we agree together according to Matthew 18:19, **IT WILL BE DONE!** That is what we have been doing.

The lists of those things are as follows:

- ◆ We want to be able to establish a Youtube page to put the Gifts of the Spirit on them.
- ◆ We want our website to be more user friendly. Updates done regular with the help of talented people.
- ◆ Vern and I are looking into getting more education on the Holy Spirit and the flow of the Gifts of the Spirit of spiritual integrity, which will probably take us away for 2-3 months with seasoned ministers.

WORD IN LIFE MINISTRIES

- ◆ Visit 7 Centers this year including the newest one in Arkansas.
- ◆ More outreaches to keep people posted of Mission Teens.

If God is calling you to partner with us, we would appreciate it since we know we have lots of things the Lord has laid on our hearts to accomplish. It takes a dedicated crew to make this happen. You might be just the person that will help us with the website. God might be speaking to you to help with the administration of WILM. He might be speaking to you to contribute financially. You might be the one that will stand in the gap for this ministry and PRAY! Whatever He lays on your heart, we know we can not accomplish nothing without all of you! You have given us the means to go so we can set free people from life threatening addictions. There are no words to let you know how much we appreciate you. Thanks for being part of our lives and living the DREAM together of seeing every STATE with a Mission and every person in bondage SET FREE!

For the Kingdom,
