WORD IN LIFE MINISTRIES

Dear Friends, Partners & Family:

Greetings in the Name of Jesus!

Thank you for your patience with our website since I have been gone! We are changing the way we will be doing things on the site.

I returned home May 26 from a 4 -month commitment at Mission Teens in Cresco, Iowa. The Lord spoke to me over a year ago to go to the mission and go through the program. He said I would become a better teacher. I learned a lot of things going through the program, and it will make it better for us when we travel. We will know the chain of command and who to properly connect with and show more respect for the time that is allotted to us.

This year we plan on staying close to home and making more appointments nearby to open up opportunities to other groups and churches so they will become aware of Mission Teens. We plan on having a Yard Sale in August to share about Mission Teens and allow people to get a few treasures of their own. If you would

like to donate to the sale give us a call at (507)281-4035.

We will be having a blog on our website to keep you full of the Word and keep you more informed. We plan on finishing this fall with a trip to the last 3 centers we have not visited. They are in Ft. Lauderdale, Florida, Savannah, Georgia and our new one in Roscommon, Michigan.

As always we covet your prayers and support! Without you we would not be able to reach so many desperate people who are in need of Jesus!

Thanks for caring! We love and appreciate you more than you will ever know!

Together for the Kingdom,

LaVern & Sandra Burdick
