

Word in Life Ministries

Fall 2024

Greetings Family, Friends & Partners:

Our leaves are starting to take some color, but all and all, we have had a nice beginning of the fall season. We are getting close to Election Day, and I plan on voting early this time. I believe God will be doing something powerful this election season, and we will be entering some great changes. When the righteous rule the people rejoice! Proverbs 29:2. Take action, pray and obey and do what the Spirit is prompting you to do. God is going to make America Great Again!

This Newsletter will be devoted to a few people that have blessed this ministry by calling my partners every season.

They call and ask if you need prayer, and they pray for you. They keep you updated on what is going on in Word in Life Ministries.

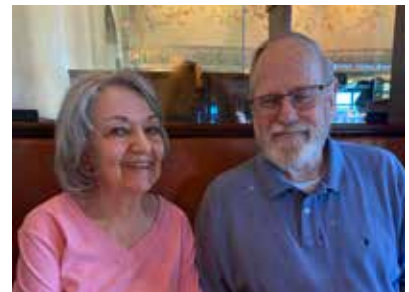

Karen (Kay) Horseman

The first one I would like to recognize is Karen (Kay) Horsman. She supports me in many ways, but her main support is praying for my partners. She is a partner too and has helped me with Yard Sales I have had in the past. She's a hard worker for God. She has helped me with luncheon meals by setting up and tearing down. What a blessing. I value her support.

The next lady I would like to introduce is Gloria Gardner. She is also a partner to our ministry and helps me make phone calls and prays for people too. Another blessing how God uses her is she opens her house to LaVern and I when we are on the road and traveling. She lives in St. Louis, so it is a great place to recuperate before getting back on the road. She

makes awesome meals for us while we stay there. Steve and Gloria both are precious friends and awesome supporters of this ministry.

The next lady I would like to recognize is Linda Dickey. As our partnership increased, we needed someone else to help with phone calls, and she has been a willing vessel to step right in and get the job done. Linda also has a sweet voice and is our worship leader for my zoom group on Tuesday. We are studying "God wants You Well." It is so nice to see these gifts and abilities that God has put in her and watch them grow.

Linda Dickey

Thank you, partners, friends, and family, for always being a support to us. Lots of you have supported us with prayer, food, hospitality, finances and your friendship, and we do not take that lightly. This is the season when we give thanks! Thank You all for doing

your part to put us on the road and bring the HOPE to the hopeless!

Prayer Requests:

- More ways to use the internet to advance the ministry.
- Additional Partners
- Open Opportunities to speak to have people more aware of WILM

Love & Appreciation,

LaVern K. & Sandra L. Burdick
