

Word in Life Ministries

Spring 2024

Welcome Spring!

Spring reminds me of new beginnings. The smells are fresh, people are walking around and visiting with their neighbors. It causes people to get out and be about their Father's business.

Here at WILM we are making plans to take off and get on the road to visit a few missions and our lovely great granddaughter, Ellie Gifford. What a blessing for us to be able to still travel for the Lord!

Our Great Granddaughter, Ellie Gifford
