Summer 2023

## Blessings Family, Friends, and Partners:

Our calendar is getting full for the summer of 2023. June started out with us celebrating our grandson's, Ian Hoot, High School Open House. We got to meet a lot of people and visit with family. He really had a nice party with BBQ wings, ribs, and briskets.

Next, we celebrated Father's Day with most of the family at Lake City at Kelly's Lake House near the waterfront. Andy, our son-in-law, took us on a nice cruise in the pontoon. The weather was great and afterwards we ate at Kelly's and LaVern opened his presents that he got from the children. It was a fun afternoon and evening.

July we will be having John Talley from Midwest Mission Bible Training Center visiting us on the first weekend. Later, that month, we will be hosting a cookout for the cleaning committee at our church, High Point Church.

The later part of the month, my sister will be having hip surgery and I will be helping her out. Please keep my sister Bonnie in your prayers.

We are getting our yard in good shape, reminding me how we must stay in good shape to be useful for the Kingdom of God. If we let reading the Bible slip, taking time not doing our devotionals with God and missing church, we can quickly tell our

energy level for the things of God will start to wane. Make sure your relationship is intact this summer with the Lord. Keep that armor on! Ephesians 6:10-18. He can give us the strength we need to finish the tasks at hand.

May you enjoy your family relationships and friends and stay in tune with the Creator.

Happy Summer!

Love & Prayers,

LaVern K. & Sandra L. Burdick
