

Word in Life Ministries

Spring 2021

Greetings Partners, Friends and Family:

Here it is May, and I am finally getting out another newsletter. We had our Board Meeting and our plans are to go to The Excelling in the Gifts Conference in Tulsa, OK to further our education. This year we will be bringing a few more people with us so they can enjoy this much needed teaching. Our plans are to leave on May 22nd and return home on May 27th. The main speakers will be Dr. Ken Stewart, Cathy Mink and Bill McRay. There will be a total of six meetings. We plan on stopping off in Chouteau to see Jody Baker who holds our license. She will show us the school that she oversees, and the cute little town.

In July we are planning on going out East. We have not finalized our stops yet, but the main reason we are heading out that direction is our granddaughter, Chrissy Bowlin, is getting married and we are officiating the wedding. We plan on making stops on the way to Rhode Island to other Missions and then on the way back home. That will take in much of the month of July. We covet your prayers during these travels, and that we will see great revival as we go from State to State.

Another avenue is starting to open up to me (Sandy) is doing Bible Studies on the phone. I have had several requests to add more and we thought an option could be ZOOM. More learning. So that old saying "Old dogs can't learn new tricks!" will have to be shown to be wrong. I believe with the help of the Holy Spirit He can teach this older person new tricks of the trade. Pray that God brings about the right person to help with this endeavor.

As always, we want to take this opportunity to thank all of you who have been such a tremendous support to us through our desire to fulfill the plan and purpose of God's will for our lives in saving those that are lost and without hope and need redemption like us all. Thanks be to God! He made a way through His son Jesus Christ.

We proclaim God's blessings to come upon you and over-take you as you continue to follow the leading of His Holy Spirit!

Blessings to you all,
LaVern & Sandra Burdick
