

## Greetings Family, Friends and Partners:

This has been a very challenging 2020 so far, but I believe it will be one of the best years we have experienced. Through great challenges, comes great blessings! While everyone has been concerned about the Coronavirus, I have been spending my time meditating on **How Big God is** and knowing He has come through before, He will come through again. I hope you have been enjoying my mini messages on facebook. I have been trying to put up a couple every week. They are for your encouragement, so if you haven't had a chance to see any of them, look on my Facebook page and you can catch up.

We also got a new look on our Website. I hope it is easier for you to maneuver and you are enjoying all the added pictures. Please let me know what you think of it.

Our website is [www.wordinlifeministries.org](http://www.wordinlifeministries.org).

Our next big step is getting videos on our web page. Hopefully, you will be seeing them in May. If the nation is safe to travel, we plan on traveling in June to visit the Admissions Office Building of Mission Teens in New Jersey. We will speak at the center there for a few days, and then we will go on to the Boston area to visit my children and grandchildren.

Our plans are to take another trip at the end of August or first part of September to the two Michigan centers.

We will be holding monthly meetings at the Cornick's house when we are in the Rochester area. LaVern and I are sharing what we learned on our Educational trip in the fall of 2019 in Oklahoma. We have had one meeting before the virus hit and it was very well attended with good feedback. We are teaching on how to operate in the Gifts of the Spirit and how God desires to work through us as long as we are open to His voice and His leading. Please give us a call at (507)281-4035 if you would like to be a part of this and need directions. We send out e-mail notices of the dates and times. They are usually around the third Tuesdays of every month and are from 6:30-8:00 p.m.

Our prayers for you are to stay tight with God while we are quarantined. We are expecting to have greater influences and see God move in spectacular ways.

Blessings to you all,  
LaVern & Sandra Burdick
