

Word in Life Ministries

Summer 2022

Family, Friends and Partners:

Summer Surprises this has been. It's been an unusual one for sure as far as weather goes. You don't know if you should pull out shorts or jeans. God though remains the same! There is always seed time and harvest until His return. Thank you for all those that have been seeding into this ministry.

We have been going monthly to Midwest Mission Bible Training Center in Cresco, IA. We went to their banquet in April and enjoyed a night of celebrating with them in their great accomplishments.

Mission Bible Training Center
Gaastra, MI

We were at the Mission Bible Training Center in Gaastra, Michigan where the Executive Director, Steve Schwartz, resides and was able to get an interview with him.

LaVern, Sandra, Mike, Julie & Steve

He is on these three different places:

- Our website at www.wordinlifeministries.org
- YouTube at my site called **Sandra Burdick Word in Life Ministries**
- On Facebook on my page

He's had over a thousand views. The interview is short but powerful. I invite you to listen at one of these sites.

I have been having great success on zoom doing a series by Keith Moore on Mercy Over Judgment. Six of us ladies get together weekly and share with each other our insights and examples. We are learning how the enemy works through our minds, mouth, and judgment. What an eye opener it has been. When the enemy is exposed, he loses, and we WIN!

Vern and I plan on having a busy family summer, and one outing towards the end of summer to visit a few missions. We haven't scheduled yet, but as soon as we do, we will keep you informed through those 3 sites.

As always, we appreciate your support in so many ways. Your prayers are felt and valued. Your financial giving keeps us on the road and the website up. Thank you for all you do to help us reach the hurting and get them healed!

Love in Christ,
LaVern & Sandra Burdick

Prayer Requests:

- All missions mortgages paid off in full
- Open doors for more opportunities
- More regular partners
