

Word in Life Ministries

Fall 2022

Happy Fall y'all:

(Left to right) LaVern, Sandy, Larry and Laurie

It looks like our state is having an early fall. Recently LaVern and I just came back from a Missions trip.

We got to see a lot of color on the trees. Going through the different seasons, makes you understand the different seasons in your own life. I just went through a season this summer of learning to be a caretaker. I never felt qualified to be one. I didn't think the gift was in me. God is so kind and helpful to get us out of our comfort zones and do the right thing. During the month of

June, my husband and I picked my brother and his wife up at the Minneapolis/St. Paul Airport. We spent a couple of weeks with them at their cabin in Pequot Lakes. They both are going through some health issues and needed our help. We thank God that we were there for them. God blessed us with the anointing to serve and caretake. He is faithful!

My sister is also going through some health issues and needed some help not only in medical areas but also learning to understand her health insurance. It's been a change for me to be a caretaker. I've also experienced some back problems this summer that has kept me home most of the summer.

I'm doing a zoom class at the present time with 8 ladies including myself. We are going through the topic, "God Wants You Well." A person needs to get to the place where they are sick and tired of being sick and tired. When we're going down the road, and we're not getting better, it's time to make a change and try something different. God is good, and He wants us well!

I hope this Newsletter finds you all doing well because I know God wants you to get better and better very day in every way. Thank you for all your prayers and support, it makes a difference. The following pictures are ones we took at the two Mission Centers that Vern and I went to in September. One in Cresco Iowa, Midwest Mission Bible Training Center, and the other House of Hope Mission Bible Training Center in Brazil, Indiana. Thank God the Lord always shows Himself faithful and true. Many lives were touched, healed, free from inward hurts, words of encouragement to continue their journey as God helps them get well.

We will be having a follow-up video on our recent trip on our website in a week or two, you can watch it on www.wordinlifeministries.org.

Love you more than you can know!

LaVern K. (Vern) & Sandra (Sandy)
Burdick

Prayer Requests:

- Mission mortgages paid off
- Additional Partners
- New opportunities to minister
- Media Help
